VHF 135.65

Please make contact **five minutes** prior to arrival for landing approval.

Only pre-approved aircraft will be given permission to land.

Note

All air traffic must arrive and depart from the north. The coastline must be avoided in all situations as endangered Osprey birds nest in the area.

The Pad

- Concrete
- No lighting
- Surrounded by low lying scrub approx 1-2 metres high, cleared 5 metres around pad.
- 10 metre high Telstra Tower 27 meters to east.
