ESSENTIAL INFORMATION

BAILLIF LODGES

Baillie Lodges is a collection of three intimate luxury lodges offering unique Australian experiences. Spectacular locations combined with contemporary design, exceptional cuisine, first name service, all-inclusive tariffs and indulgent surrounds combine to deliver sophisticated and exclusive encounters with luxe appeal. Longitude 131° at Uluru-Kata Tjuta is the ultimate outback luxury experience. Southern Ocean Lodge on Kangaroo Island is globally celebrated and acclaimed. Capella Lodge on Lord Howe Island launched the portfolio and continues to capture guests in its magic. Baillie Lodges is a founding member of Luxury Lodges of Australia.

LOCATION

Situated in the South Pacific Ocean, 780km north-east of Sydney and 580km directly east of Port Macquarie. Lord Howe Island is a small, breathtakingly beautiful island, just 11km long and 2.8km at its widest point. The island is bordered by a reef-fringed lagoon, rolling surf, and the world's southern-most coral reef, about 75 per cent of the island and its islets are preserved as permanent national/marine parks.

CLIMATE

The subtropical maritime climate produces warm summers and mild winters. Daytime temperatures range from about 25-28°C in summer and 18-22°C in winter. Generally, conditions are appropriate for swimming between September and May. Walking, hiking and many other activities are enjoyed year-round. The climate is often likened to a perpetual spring.

SUSTAINABILITY

Baillie Lodges is committed to minimising our environmental footprint. We collaborate closely with the Lord Howe Island Board to implement management policies in keeping with the destination's World Heritage listing. The architectural design of the lodge takes advantage of its sub tropical climate and does not require air conditioning. The lodge employs a solar powered hot water system, supported by a LPG booster facility and captures up to 50% of all its water needs in rainwater tanks. Electric vehicles are used for guest needs and complemented by a 'fleet' of mountain bikes, which are the primary source of transport around the island.

WORKING AT CAPELLA

The team at Capella is small and unique. The most common roles include Chefs, Food and Beverage Attendants, Housekeepers and Maintenance/Grounds staff. The petite Capella Spa also provides opportunities for Spa Therapists. Whilst position descriptions are provided to individuals, it is a team effort that makes all Baillie Lodges operate effectively – this spirit of cooperation also allows our team members the opportunity to develop new skills in areas they have not previously worked in.

GUEST PROFILE

Rates range from \$750 to \$1,600 per person per night and include both breakfast and dinner, all non-alcoholic drinks, sunset drinks with canapés, wine with dinner, in-room bar and bicycles. Capella's target market is predominantly discerning guests seeking an active boutique island experience. Many family groups visit throughout school holiday periods (Capella welcomes children 10 years and over) and there is a high number of return guests to the lodge each year. Approximately 75% of our guests are Australian, whilst our international visitors are mainly from the United Kingdom and the United States. The peak season on the Island is from October to May. Winter is much quieter and Capella Lodge often closes for the month of July to allow for maintenance and upgrade work.
