Welcome to Silky Oaks Lodge and to Tropical North Queensland's World Heritage-listed wonder, the Daintree Rainforest. With views over the crystal-clear Mossman River and enveloped by lush greenery, we invite you to relax into the easy rhythm of the tropics.

Situated among the region's renowned natural attractions including the Daintree National Park, Great Barrier Reef and Cape Tribulation, Silky Oaks is a luxurious base from which to plan your experiences. Adventures abound for all: swim and snorkel in the spring-fed river, take a guided hike and connect with the land's ancient indigenous heritage or consider one of the many specialist activities offered by local adventure operators.

Dining in the open-air Treehouse Restaurant welcomes the sights and sounds of the rainforest, with menus designed to be light and refreshing in a contemporary Australian style. Premium wines sourced from around the nation make a perfect accompaniment to meals, while a range of local craft beers and small-batch spirits are on offer to wind down after a day's exploring.

After all the action, we suggest a visit to the Healing Waters Spa. Inspired by ancient beliefs that water is a renewing and life-giving force, the spa offers a range of treatments featuring the Australian-made Sodashi skincare range.

However you choose to spend your time, we are here to assist and to help create an unforgettable experience of the magnificent Daintree Rainforest.
