Refurbishment Plans

Baillie Lodges' plans for The Louise include a refurbishment set to take place in the cool season of 2022, which will include a reimagination of the lodge's bar and guest lounge areas, as well as a refresh of Appellation Restaurant and the addition of a new walk-in cellar and private dining room. Guest suite interiors will be a significant part of the makeover, where a more contemporary look and feel will align with Baillie Lodges sister properties, while maintaining luxury appointments familiar to guests, including king-sized 'Baillie Beds' dressed with fine linens, generous bathrooms, custom furnishings, private outdoor lounging and an in-suite bar stocked with locally-sourced treats.
